

Medical Equipment and Supply Distribution in Haiti

Just before the distribution of the supplies and equipment, COADHA Executive Director met with Representatives from each organization.

Each box had a specific invoice number. Recipients had to identify their specific invoice numbers.

The distribution took place at World Vision/Haiti's Headquarter

COADHA's executive director helped all recipients identify boxes

The administrator of the Pediatric Hospital Espoir thanks COADHA for this noble initiative. According to the administrator, COADHA's support to the hospital will enable the "Fondation pour les Enfants d'Haiti" to provide additional quality care to hundreds of orphans in Haiti.

Karl Jean-Louis executive director of COADHA met with Dr. Duane L. Dowell the Medical Director of Hospital Albert Schweitzer based in Deschapelles Haiti. Located in Deschapelles, Hospital Albert Schweitzer a rural hospital, served the poorest people in Haiti. On a clinic day the hospital served easily 500 people.
